

The Screw Tape Letters

Letter X Questions

1. Screwtape introduces another concept (tool) that is used against us (the patient). What is that tool?

2. Discuss the idea behind the latter half of the first paragraph where Screwtape speaks about the mortal implying that he is of the same cloth as of those he is with. What are the possible hazards to this game?

3. In paragraph two how does “postponement” of the patient’s false position endanger us when we are caught up in the game of this tool?

4. What is the definition of Mammon? Paragraph three states modern Christian writings as speaking more about Mammon and less about what three issues. Do you agree?

1 _____ 2 _____ 3 _____

5. In paragraph four Screwtape speaks about the patient coming to realize his friends for what they are. What three tactics is Wormwood to use when this happens?

6. In the final paragraph what are the identified results of the charade being played out with this new circle of friends? Site a time when you have personally experienced this tool from Satan.

8. What did you learn from this letter?
