

The Screw Tape Letters

Letter XXIV Questions

1. Evidently there is something about faith that is contagious; the patient's girlfriend has "caught" it from her family and friends. ⁽¹⁾ How can Wormwood use this spiritual contagion principle to twist his patient's faith? ^(2 & 3)

2. Essential elements of twisting the patient's faith are pride and confusion. How can Wormwood use them? ^(3 & 4)

3. How is it that peer pressure can be both a positive and a negative for spiritual growth? ⁽⁵⁾

4. How has the influence of others been a positive force in your spiritual development?

5. How might the influence of others be a negative force for your spiritual growth?

6. What did you learn from this letter?
